1755
49

1800-1823

25th Pope

Pius VII

Cosmo, Italy. With apostolic courage he defended the rights of the Church against the tyranny of the all-powerful NAPOLEON, emperor of the French, although a captive at FONTAINEBLEAU. But Napoleon lost his throne & the Pope returned to Rome. He re-established the order

of the years in sympathy with
the great work of the Christian
World.

1800

In 1800, the largest city in
Brazil was Rio de Janeiro which
had a population of about
100,000 people, more than
in all of Texas at the time.

1800

The idea of relocating freed Americans blacks predated the American Revolution but was first seriously proposed in 1800

1800-1867

The Earl of ROSSE

A British astronomer. Known chiefly for his construction of large mirrors for reflecting telescopes. His greatest instrument had a mirror 6 feet in diameter. It revealed the spiral structure of nebulae

1800

France regained title to Louisiana and in 1803 Napoleon sold it to the United States. There was no official boundary between the U.S., Louisiana Purchase and Texas. In 1819, the U.S. relinquished claim to Texas part

1850

World Population $\approx 1.0 \bar{B}$

1800-1900

World Population reached 1 Billion

Millions of Chinese move to other parts of Asia and to the Americas.

Disastrous crop failures in Ireland and elsewhere trigger the largest migration in history as some 17 million European Cross

the Atlantic to America between 1840

& 1910.

The last of 10 millions to 12 million emigrated

Africans are forcibly moved to the

Near Wind and Escapes; another 4.3
million were shipped to the middle

East.

Population increased by 70% by

century's end as development of germ
theory and other medical discoveries

continue

Apr 24, 1800

Congress approved a bill establishing
the Library of Congress

Nov 17, 1800

Congress held its first session
in Washington in the partially
completed Capitol Building.

Oct. 1, 1800

Spain Ceded Louisiana to
France in a secret treaty

1800

Arabic numerals (1, 2, 3, 4, 5, 6 etc),
were not completely accepted
throughout Europe until 1800.

1800

The Library of Congress, @ Washington
was established largely
through the initiative of
Thomas Jefferson

- World's largest library

1814 - Jefferson bequeathed his
library

1866 - Assumed Smithsonian Collection
20 m items in 3 Bldgs Adj to Capitol

1800

(1757-1804) Alexander Hamilton

One of the greatest of American statesmen.
Born on the island of NAVIS, West Indies.
Entered Columbia Univ. (1773) and early
attracted attention by several pamphlets
of a political nature. He was a Lieutenant
Colonel under George Washington (1777-1781)
Was member of the Continental Congress (1782-
1783); of the Annapolis Convention (1786);
of the Constitutional Convention in Philadelphia

(1787) and Young (1787-1788). As U.S.
sec of the Treas. he helped to mold the
country's policies. After the definite formation
he became leader of the FEDERALISTS. His
attempt of reform in 1800 involved
the hated existing system him and
his rival Aaron Burr. A tirad occurred
~~that~~ led to a duel between the two
men in which Hamilton was mortally
wounded.

Early 1800's

Colonists of South America consciously imitating the Americans and the French, liberated themselves from Spanish and Portuguese rule in the early 1800's, creating a patchwork of nation-states. They were aided by the British, who were keen to sell them cotton cloth.

1800 AD

With ample labor and food to feed it, the British industrialized by 1800 the agricultural workforce was less than 40% of the total. Then cotton could accomplish in combination off the stormy tip of Africa ships carrying raw cotton from India to Britain loaded ships taking finished cotton cloth from Britain to India, while the Indians were deindustrialized.

1800

U.S. Federal Gov. moves to Washington.

1800

Protestants had Feb 29
and 366 day, i.e. those
not following Gregorian
Catholics had 365 day
year.

AD1800

Postagricultural Britain. The cotton industry boomed and the proportion of the population dependent on agricultural pursuits for their income fell to less than 40%; similar milestones were passed in Germany and the United States by AD1890~1900 and in Japan c1920

1800 AD

Population of World = 902.6 million

208.2 million Christians
